5 EVALUATION SYSTEM

A student needs to earn a total of exactly 200 credits for the award of the degree. The student accumulates credits by passing courses in every semester. The credits associated with a course depend on the number of hours of instruction per week. A student is allowed to earn the required 200 credits for the award of B.E. degree by registering for a specified minimum number of credits in each semester and secure the degree by taking one or more additional semesters without any sense of failure. However, the number of credits to be earned by lateral entry Diploma students, for the award of the degree, shall be exactly 150.

The course curriculum shall contain Lecture (L), Tutorial (T), Practical/Laboratory (P), self study(S) components and Credit awarded (C) for the course which are mentioned as (L-T-P-S) C. Every course in the programme is assigned a certain number of credits according to the following pattern:

One credit for each lecture hour per week; e.g., 4 lectures (4-0-0) 4

One credit for each tutorial hour per week; e.g., 3 lectures and 1 hour tutorial (3-1-0) 4

1.5 credits for each practical session of 3 hours per week; e.g., 3 hours of practical (0-0-3) 1.5

One credit for each lecture and one credit for each practical session of two hours/week; e.g., (4-0-2) 5

6 STUDENT ASSESSMENT

The student assessment shall consist of two components in all the theory/practical credit courses: Continuous Internal Evaluation (CIE) and Semester End Examination (SEE).

All theory and practical courses shall carry 100 marks (CIE+SEE) each (with the audit courses having only the CIE).

6.1 Continuous Internal Evaluation (CIE)

For 2016 admission batch onwards:

6.1.1 CIE in case of theory courses shall consist of cumulative evaluation of performance in two minor examinations (for 20 marks each), conducted as per the academic calendar. The remaining 10 marks shall be evaluated by conducting minimum of one event and maximum of three events (A1, A2, A3).

6.1.2 In case of practical courses CIE consists of a performance evaluation in each class, record writing and practical CIE(for 50 marks).

6.1.3 In case of drawing courses CIE consists of the regular evaluation of drawing sheets/class test (for 50 marks).

6.1.4 Students shall be permitted to appear for make-up/Improvement

CIE (CIE III) subjected to the condition (i) the candidate must be absent for either CIE I/II (ii)the candidate fail to score 20 out of 50 in first two CIEs . The final CIE marks shall be the sum of best two performances by the candidate.

NOTE: 20% of CIE is permitted to evaluate self study component of syllabus and will be decided by course faculty.

For the existing 3rd and 4th year students:

- 6.1.1 CIE in case of theory courses shall consist of cumulative evaluation of performance in two minor examinations (for 25 marks each), conducted as per the academic calendar. Question Paper will have 2-parts: Part-I quiz component (05 Marks) and Part-II with questions for 20 Marks.
- 6.1.2 In case of practical courses CIE consists of a performance evaluation in each class, record writing and practical CIE(for 50 marks).
- 6.1.3 In case of drawing courses CIE consists of the regular evaluation of drawing sheets/class test (for 50 marks).
- 6.1.4 Students shall be permitted to appear for make-up/Improvement CIE (CIE III). The final CIE marks shall be the sum of best two performances by the candidate.

NOTE: 20% of CIE is permitted to evaluate self-study component of syllabus and will be decided by course faculty (within the rules of present batch).

- 6.1.5 The mode of CIE in case of mini projects, internship, industrial training, certification courses /workshop and Seminars shall be made known to the students at the beginning of the semester.
- 6.1.6 In case of Project Evaluation of 8th Semester student projects: Evaluation is to be carried out over 3 stages: Synopsis evaluation for 10 marks, Mid-term evaluation for 15 marks, Semester end internal evaluation for 25 marks and Examination involving external examiner for 50 marks.

Synopsis evaluation: on or before the end of 2nd week of 8th Semester, approval of the synopsis and evaluation for 10 marks by the concerned Project guide and Project coordinator/H.O.D. to record the marks at the department level.

Mid-term evaluation: during the 8th week of 8th Semester for 15 marks, to be done by a jury consisting of Project Coordinator, Project Guide, H.O.D. or his nominee and the official record of marks are to be maintained.

Semester end internal evaluation: to be completed by at least one week before the end of term days of 8th Semester for 25 marks. The jury constituted for this purpose has to consist of Project Guide, Project Coordinator, H.O.D. or his nominee and staff members of related specialization. 10 marks in this evaluation shall rest with the Project guide and remaining 15 marks is to be averaged out upon evaluation by the individual members of jury, made upon presentation of the project along with due demonstrations.

Project work demonstration during SEE for 50 marks is to be made compulsorily in case of all the projects as applicable.

6.2 Semester End Examination (SEE)

SEE shall consist of a written or practical examination conducted at the end of the semester and shall be based on the entire course contents. The mode of SEE and marks assigned shall be made known to the students by the course instructor at the beginning of the semester.

Eligibility to Attend SEE:

The eligibility criteria to attend the SEE in a course are:

- Attendance shall not be less than 85%
- CIE marks shall not be less than 40%

A student not fulfilling one or both of the above criteria in a course shall be assigned F grade in that course and will have to re-register for that course either during the makeup exam or any subsequent semesters whenever the course is offered. In case of an elective course, the student may re-register either for the same elective course or choose another elective from the same pool of electives.

6.3 Passing standards

6.3.1 A student shall score a minimum total of 40% marks (equivalent to minimum marks for E grade) in CIE and SEE put together with minimum of 40% marks in SEE.

6.3.2 Vertical Progression

- i)(a) Students who clear all the courses with a minimum CGPA of 5.0 and the required minimum credits are eligible for promotion to higher class. A student, who does not fulfill the minimum CGPA criterion at the end of any academic year for the first time, shall attract a warning before approval to continue in the following semester. This benefit can be availed only once during the entire B.E. program. Students carrying a maximum **4 courses with F Grades** are also eligible for promotion to higher class subject to minimum CGPA criterion.
- i)(b) Credits to be earned
- i) Total 32 credits, at the end of 1st year
 - ii) Total 80 credits, at the end of 2nd year
 - iii) Total 120 credits, at the end of 3rd year
- (i)(c) All the students shall earn 'Y' grade in the following mandatory audit courses: *Professional Kannada, Environmental Sciences, and Constitution of India & Professional Practice*.
- (ii)(a) For Lateral Entry students (Diploma Students):
- i) Students can carry a maximum of **4 courses with F Grades** (theory and/or practical), for getting promotion to higher class.
 - ii) Minimum CGPA of 5.0 at the end of each academic year. A student, who does not fulfill this criterion, at the end of any academic year for the first time, shall attract a one-time warning before approval for the student to continue in the following semester. This benefit can be availed only once during the entire B.E. program.
- (ii)(b) Credits to be earned for Lateral Entry students (Diploma Students):
- i) Total 36 credits, at the end of 2nd year

- ii) Total 80 credits, at the end of 3rd year
- iii) All the lateral entry students shall also earn 'Y' grade in the additional mandatory audit courses:
Bridge Mathematics-I and Bridge Mathematics-II

6.3.3 A Student who wants admission to the autonomous program from a non-autonomous program, shall submit the previous marks card(s) and transcript obtained till date from VTU to the office of DEAN(EXAMS)/ EC for the purpose of exam marks to equivalent grade conversion. The criteria for movement to the 3rd semester for such student(s) under autonomous schemes shall be same as rule 6.3.2.

6.3.4 For the students admitted during 2010-11 and onwards, a student shall complete all prescribed courses of first SEMESTER, (including all the F or W grade and audit courses) to move to fifth semester. Similarly, a student shall complete all the prescribed courses of second and third semesters to move to Seventh semester. There is no such rule applicable for moving to 6th or 8th semester.

6.3.5 All students shall complete the B.E. program within twice the academic years of study remaining, i.e.,

If rejoined to Maximum period of study allowed

First year (I sem) 8 years

Second year (III sem) 6 years

Third year (V sem) 4 years

Fourth year (VII sem) 2 years

6.4 Performance Evaluation: The performance evaluation is carried out separately (i) for each course in terms of letter grades, (ii) for all courses in a semester in terms of SGPA and (iii) for all semesters at a given point of time during the program, in terms of CGPA. The SGPA and CGPA are calculated as per (VTU guidelines) the following:

$$\text{SGPA} = \frac{\Sigma [(\text{Course Credits}) \times (\text{Grade points})] \text{ for all courses in that semester excluding transitional grades}}{\Sigma [(\text{Course Credits})] \text{ for all courses in that Semester excluding transitional grades}^*}$$

* This includes all the attempts taken by a student to clear a given course and for all courses of that semester. (please refer to the sample example given in section 6.4.1)

$$\text{CGPA} = \frac{\Sigma [(\text{Course Credits}) \times (\text{Grade points})] \text{ for all courses excluding those with F and transitional grades until that semester}}{\Sigma [(\text{Course Credits})] \text{ for all courses excluding those with F and transitional grades until that semester}}$$

The following are the additional rules to be followed:

- ***Diminishing Grade rule:*** Further, if a student fails in any course and gets a pass in the same taking attempts, the grade obtained will be reduced by one level when the course is cleared, subject to the minimum of E grade. This rule will not apply for I grade which get converted to any successful grades in the immediate make up examination. For example, the diminishing grade for the obtained grades S, A, B, C, D and E, will be A, B, C, D, E and E respectively).
- For vertical progression, a maximum of 4 courses with F grades (excluding courses with W grades) are permitted at the end of each academic year {subjected to the sub rule: 6.3.2 i(b) }
- The grade-card of any semester will be issued only after a candidate successfully completes all the courses of that semester. In other words, ***only one grade-card per semester will be issued irrespective of the attempts taken*** by a student. However, the date/exam of passing will be shown in the grade-card in respect of all the courses of that semester. ***Accordingly the SGPA will be calculated for the semester with all the said courses successfully completed and by considering the total credits involved in the number of attempts taken by the student for successful completion of the courses, as illustrated by the sample example given in section 6.4.1.***
- In case of W grade, the diminishing-grade rule is not applicable.

6.4.1 Letter Grades: The performance of a student in a specific course shall be assigned a letter grade based on an absolute scale, and shall be a measure of the performance of the student in that course. The letter grades and the corresponding Grade Points and performance levels are as indicated below:

Grade F: Awarded to a student in a given course who: **(i)** fails to get the minimum of 40% marks in CIE **(ii)** fails to get 40% marks in SEE **(iii)** fails or does not register for the expected courses in the immediate make-up SEE **(iv)** does not attend SEE without justifiable reasons or make-up SEE. All the I grades are deemed to be F grade if a student fails in such course(s) in the immediate make up SEE or does not attend the make up SEE at all. *In all such cases, this is treated to be an attempt for calculating the SGPA/CGPA.*

Grade	Grade Points	Marks	Performance
S	10.0	90 – 100	Outstanding
A	9.0	75 – 89	Excellent
B	8.0	60 – 74	Very Good
C	7.0	50 – 59	Good
D	5.0	45 – 49	Average
E	4.0	40 – 44	Poor
F	0.0	00 – 39	Fail
I	-	-	Incomplete
W	-	-	Withdrawal
Y	-	-	Satisfactory (for Audited Courses)
N	-	-	Not satisfactory (for Audited Courses)

I and W are transitional grades awarded in the following cases. They shall be converted into one of the letter grades S to F after the student completes the course requirements.

Grade I: Awarded to a student having satisfactory attendance and meeting passing requirements in CIE, but remains absent from SEE for reasons acceptable to the GRC, like illness or accident which disable the student from attending the SEE, a calamity in the family at the time of SEE which requires the student to be away from the college.

Grade W : Awarded to a student who withdraws from a course before the prescribed date (not later than two weeks before the commencement of SEE).

Grade Y : Awarded to a student who satisfies the attendance and other class room requirements of mandatory audit courses.

Grade N : This is awarded to a student who does not satisfy attendance and other class room requirements of mandatory audit courses. In such cases, the student should earn Y grade by re-registering for the course.

Percentage equivalence of the Grade Points:

Some times, it would be necessary to provide equivalence of the CGPA with the percentage and / or class awarded as in the conventional system of declaring the result of university examinations. The below table gives percentage equivalence of grade points on a 10-Point Scale. Table gives the range of grade points and the associated class.

Percentage equivalence of grade points

Grade Point	Percentage of marks (Class)
5.75	50
6.25	55
6.75	60
7.25	65
7.75	70
8.25	75

6.4.2 Grace Marks Rules: Based on the prevailing practice and rules of VTU, the following rules have been framed to be applicable for the Autonomous Scheme of Examinations at the College while awarding any grace marks:

- (i) **One Mark grace** is awarded in all the courses, if a student successfully completes (clears) those courses, because of the addition of the grace mark. This is applicable to all students irrespective of the number of such courses in a given semester as also the courses being backlog courses.
- (ii) **Two Marks grace** is awarded in only one course during any given main semester of the program, if a student has failed only in one course and if he/she successfully completes (clears) that course because of the addition of two marks as grace mark. This rule is subjected to the condition that the student has cleared all the courses of that semester (not having W or I Grade) without getting the benefit under rule G.1 as above. This is not applicable to more than one course or for any of the backlog courses.

6.4.3 Gold-Medalists – the CGPA criterion: The top scorer of each branch of study shall be the Gold medalist of that branch of engineering. The gold medalist will be decided based on the CGPA earned at the end of the program. In case of students entering autonomous program from VTU, the equivalent CGPA of VTU semesters (computed as per VTU guidelines) is considered. However, in case of lateral entry students, the CGPA is considered over 6 semesters of study only (3rd to 8th). Further, such a student is expected to have successfully completed all the courses studied during the BE program in first attempt only. This rule is applicable to all category of students admitted to the program.

6.4.4 Re-registration of failed students: A student who has taken SEE and has obtained F grade (failed) in one or more course(s) may register for those course(s) in the makeup examination or in a main semester whenever the course(s) is/are offered (with the new syllabus if revised). The student shall satisfy the attendance and CIE requirements afresh.

6.5 Make up Examination

A student with I or W or F grade may take a make-up examination which will be held as per the dates notified.

- (i) If the student fails in the make-up exam, the student shall re-register for the course whenever it is offered, with new syllabus if revised or equivalent as decided by the equivalence committee.
- (ii) A student taking up the examination in a given course for the second or succeeding time (back-log course), is also permitted to appear for the make up SEE, with provision for Makeup CIEs, if needed.
- (iii) The Make-up SEE of a given semester is permitted only for those students with F, I or W grade obtained in the current semester SEE only. If a student with I grade is absent for the immediate make up SEE, then his grade is converted to F grade in all the respective courses.

6.6 Grade Card and Transcript: Grade Card of a student shall be given at the end of the semester (only after successfully completing the courses of that semester). The grade card will indicate the letter grade earned by the student in each course.

6.6.1 In case of mandatory audit courses, the grades shall be either Y (Satisfactory) or N (Not Satisfactory).

6.6.2 Only courses with credits will be included in the computation of CGPA & SGPA. Audit courses and mandatory non-credit courses shall not be included in the computation.

6.6.3 Provision for issue of duplicate Grade cards: for issuing the duplicate Grade Cards to a student perusing B.E. under autonomous scheme, the candidate has to register a complaint at the police station in connection with the lost Grade Card with all particulars. Further, the candidate has to submit an affidavit duly prepared by the Notary in the following format:

Further, Rs. 250/- has to be paid by the candidate through bank challan (Pink) for each of the Grade Card to be printed in addition to the above. Such of the grade cards will be printed with a water mark "Duplicate Grade Card" in the background.

6.6.4 Transcript: Transcript/s will be issued to all the eligible students at the end of the eighth semester. However, partial transcripts will also be issued to the students (those who aspire for higher studies) at the end of 6th semester, on request. The students have to apply for the transcripts by paying the prescribed fee of Rs 250/-for the first copy and Rs100/- per subsequent copy. - (ii) If the increase in the challenge revaluation marks is less than or equal to fifteen, then the revaluation marks corresponding to the second evaluation marks is awarded to the student.
- (iii) If the increase in the challenge revaluation marks is more than fifteen, then the answer script will be sent for third valuation and the average of the best two marks shall be awarded.

6.7.1 Refund of Challenge Revaluation Fee In case of an improvement in grade after challenge revaluation, the refund of the challenge revaluation fee is made as per college norms, to all the students (against an application)

who are successful in getting an increase of 15 or more marks by revaluation. *This is not just based on the change of grade.*

6.8 Paper Seeing facility: The college has introduced the paper seeing facility, from the current academic year (2017-18) for all the years of programmes of study, before the announcement of the final results of SEE or Make-Up Examinations

Guidelines for Paper seeing are :

- The Dean (Exams) shall announce the date/time of seeing the Answer Scripts by the students after the announcement of the provisional examinations result.
- The students are allowed for paper seeing only their valued answer scripts on the specified date/time, course wise as per norms.
- There is no revaluation of the answer scripts, however challenge valuation is allowed as per norms.
- The concerned faculty member shall show the answer scripts to the students on the scheduled date/time. Faculty/student shall not be allowed to do any corrections/modifications during paper seeing.
