MALNAD COLLEGE OF ENGINEERING, HASSAN

(An Autonomous Institution Affiliated to VTU, Belgaum)

VISION OF THE INSTITUTION

To be an institute of excellence in engineering education and research, producing socially responsible professionals

MISSION OF THE INSTITUTION

Create conducive environment for learning and research Establish industry and academia collaborations. Ensure professional and ethical values in all institutional endeavors.

VISION OF THE DEPARTMENT

The Department of Civil Engineering will be a centre of excellence in industry-oriented teaching, training, research, professional ethics, social responsibility, and continuing education for practicing engineers through sponsored research and consultancy services

MISSION OF THE DEPARTMENT

To improvise the curriculum to include contents pertaining to situational experience of variety of sites and develop a sense of social responsibility and to enhance research orientation of students through internship programs.

To enhance sponsored research and consultancy works to achieve effective industry-institute-interaction and conduct Continuing Education Programme for practicing engineers.

To inculcate professional ethics through quality and modern construction practices.

To switch over to modern methods of material testing, Engineering analysis and design.

Department of Civil Engg, MCE Hassan One Day Workshop 20th Sept 2024

A One Day Workshop was organized for faculty Members of the Institution on Scaling New Heights: A comprehensive Training Programme to enhance overall Institutional Diligence jointly organized by Dept of Civil and Mechanical Engg on 20th Sept 2024.

Orientation Day Cum Felicitation to Semester Toppers Civil Engineering Association, 18th Oct 2024

Department of Civil Engineering, Malnad College of Engineering organised Orientation Day Program for III Semester Students on 18th October 2024. On this occasion an invited talk was organised on Innovative Learning, Critical Thinking & Softskills by Mr. A. H. Sagar, International Educationalist, Philosopher, Multidisciplinary Resource Person, Medical Ethicist and a National Sports person. Educated at the University of Edinburgh, Scotland and University of College London, England. A talk was very well appreciated by the students, teaching faculty. Dr. A. J. Krishnaiah, Principal advised the students to incorporate suggestions given by Mr. A. H. Sagar and set your short term and long term goals.

Dr. Mohan Kumar Chavan, briefed about the program. Mr. Chethan Kumar N. T, Asst. Professor & Convener of the Civil Engineering Association welcomed the gathering and Ms. Siri Hemanth, Asst. Professor & Convener of the Civil Engineering Association proposed vote of thanks. Program was anchored by Ms. Smruthishree of III Semester. About 100 students and faculty members participated in the program.

Department of Civil Engg, MCE Hassan ASCE ANNUAL GENERAL MEETING (18TH OCT-2024)

Venue: Board Room, Hall No. 4, Goregaon Exhibition Centre, Goregaon East, Mumbai

The Annual General Meeting (AGM) of the **American Society of Civil Engineers – India Section (ASCE-IS)** for the year 2024 was successfully conducted on the 18th of October, 2024, at the prestigious Bombay Exhibition Centre in Mumbai. The AGM coincided with the **World of Concrete India 2024**, an international exhibition showcasing advancements in concrete and masonry, where ASCE-IS was an associate partner.

**VISIT TO – “WORLD OF ECO CONCRETE (WOC)
EXHIBITION” (From 16/10/2024 to 17/10/2024)**

The ASCE event "The World of Concrete" was held from October 16–18, 2024, at the Bombay Exhibition Center, NESCO, Mumbai. This international trade fair and conference brought together professionals from the concrete and masonry industries. Participants explored the latest technologies, innovations, and advancements in eco concrete construction. The event served as a global networking platform for engineers, builders, and industry leaders. It highlighted the future of sustainable and efficient construction practices worldwide.

172nd Anniversary of American Society of Civil Engineers - ASCE Day at Malnad College of Engineering on Nov 5 2024. The Department of Civil Engineering, in collaboration with the ASCE India Section, Southern Region, hosted a student-led program organized by ASCE Faculty Advisors Mrs. Brunda B.N. and Mrs. Rashmi B.R. The program featured an insightful talk by Arun K.R. Rao, Former Chief of Aerodromes & Ground Aids at ICAO, Montreal, a Life Member of ASCE and a Fellow of the Royal Aeronautical Society, UK. Guided by the vision of our Principal, Dr. A. J. Krishnaiah, and the encouragement of our HOD, Dr. Mohan Kumar Chavan, along with Dr. H.S. Narashimhan, Dr. M.T. Venuraju, and our other distinguished faculty, we are inspired to shape a future of excellence in civil engineering!

Sustainest and CMTI presented a three days Student Training Program in connection with Dr. C. Giffered Satyadas Lecture Series on Advanced Construction Management Practices from 8th to 10 Nov 2024. The resource person Sri Manohara Palini swamy is a highly experienced project management professional with 38 years of expertise in construction, project management, quantity surveying, quality management, contracts management, time management, planning, scheduling and tracking. Proven track record of successfully managing large scale construction projects including commercial and residential buildings, bridges, railway tracks and more.

MCE Hassan
KANNADA RAJYOTSAVA by ISTE CHAPTER 28 November 2024

The event, led by Principal Dr. A. J. Krishnaiah and HOD Dr. Mohan Kumar Chavan, was organized by ISTE Coordinators Mr. Chethan Kumar N T and Ms. Siri Hemanth. It witnessed remarkable participation by students, along with enthusiastic involvement from both teaching and non-teaching staff.

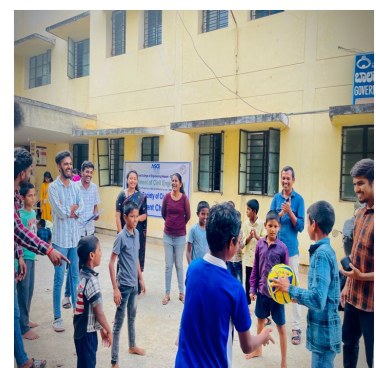

A heartwarming day spent with the kids at Balmandir on 07/12/2024, made possible by the generous contributions from the entire Civil Engineering Department! We shared paints, sports equipment, chocolates and their favorite Meal , bringing pure joy to their faces.

The initiative was led by the ASCE Student Members, with the guidance of Mrs. Brunda B N and Mrs. Rashmi B R., A big thank you to all the students who participated and contributed, making the day even more special with their time, energy, and enthusiasm.

Special thanks to Principal Dr. A J Krishnaiah , HOD Dr. Mohan Kumar Chavan , Dr. Sumana Jayprakash , Dr. K. C. Manu and Mrs. Supriya M. J for being there and interacting with the children, making the day unforgettable. This initiative wouldn't have been possible without the collective effort of the Civil Engineering Department. Together, we made a difference!

MCE Hassan Department of Civil Engg,

**ASCE- STUDENT CHAPTER
OUTREACH ACTIVITY
07/12/2024**

The Department of Civil Engineering in association with the ASCE Student Chapter, organized the Annual Sports Meet 2024–25. The event aimed to promote the importance of sports and encourage a healthy lifestyle among students. It was held on 28th and 29th December 2024 at the MCE Ground, beginning at 9:00 AM. Competitions included Cricket, Volleyball, Throwball, and Super 7 (mini cricket). The event was convened by Dr. A.J. Krishniah (Principal, MCE) and Dr. Mohan Kumar Chavan (Head of Civil Department), with support from ASCE faculty advisors and coordinators.

Department of Civil Engg, MCE Hassan Annual Sports Day ASCE 28 & 29 December 2024

The event, led by Principal Dr. A. J. Krishniah and HOD Dr. Mohan Kumar Chavan, was organized by ASCE Coordinators Mrs. Rashmi B. R. and Mrs. Brunda B. N., with support of Dr. Kishor Kumar S. It witnessed remarkable participation more than 100 students, along with enthusiastic involvement from both teaching and non-teaching staff.
